Mine Tippie Destroyed in Saturday Blaze

SOARING FLAMES LIT UP FARMLAND surrounding Sundance Mines Ltd. strip coal mining operations at Cardiff, Alta., 20 miles almost due north of Edmonton late Saturday at 60-foot tippie for cleaning and screening coal burst into flame near electric switch panel in machinery building and was totally destroyed in estimated \$100,000 blaze.

Fire started at 9 p.m., two hours after late shift quit work. No one was hurt in blaze which started when motors and belts were stilled in loading plant. Box car loader and coal chutes were saved by Motville fire brigade from general destruction. No one was injured.

Grounded Plane Delays PM's Korea Report to Cabinet

OTTAWA, Jan. 15.—(CP)—The plane carrying Prime Minister Sir Louis St. Laurent back to Ottawa from his trip to Britain and France has been delayed in Iceland with engine trouble, air force headquarters reported today.

Headquarters said the plane had set down at Keflavik, Iceland, with carburetor trouble.

A spokesman said "everything possible is being done to minimize the delay" but there is no indication how long the plane will be delayed there.

While awaiting repairs to his plane, the prime minister paid an informal visit to the Icelandic government.

Prime minister was due home from Britain and France with a two-day report to the cabinet on how the rest of the Commonwealth feels about recognizing the Chinese Communists.

He spent two days before that in London attending the Commonwealth prime ministers' conference in London, the main reason for his trip overseas.

His first action was expected to be a call to the cabinet to meet Tuesday morning. It was thought probable he would also confer with External Affairs Minister Lester B. Pearson and Defence Minister Brooke Claxton before the cabinet session.

The connection issue, always a hot political potato, was thrown into the cabinet's lap when the Canadian Defence Association, representing 800 reserve army officers, and the 300,000-member Canadian Legion urged national registration and compulsory reserve training.

It was doubtful whether the government would change its present non-registration policy in present circumstances.

IF YOUR NAME IS IN BULLETIN YOU'RE WINNER

Your name may be in the paper tonight.

If it is, it may be worth two tickets to the Capital Theatre.

Every day the name of a recent Bulletin ad user is printed somewhere in the want ad section.

If you're a Bulletin ad user, be sure and glance through the want ad section every night. If you spot your name please Mr. Thompson at 42111.

General Pledges U.S. To Stand on Fight

Strip Mine Fire Loss Is \$100,000

Volunteer Crews Save 20 Homes Near Sundance

An estimated \$100,000 fire destroyed the tippie and installations at strip coal mining operations of the Sundance Mines Ltd., 20 miles almost due north of Edmonton, late Saturday.

No one was injured in the sudden fire which sent flames soaring over 100 feet into the air two hours after the late shift had stopped loading into railroad cars.

Flames cast a red hue across the sky and could be seen for 10 miles.

Twenty homes in the small mining community of Cardiff, where the mine is located, were saved from the fire as the volunteer fire department from nearby Motville fought the outbreak, with chemical and pumper truck.

Small mine machinery was moved to safety.

The blaze, discovered at 9 p.m. Saturday by Charles Bokenforth, watchman, was brought under control early today. Mine operations said a small residue of coal from the chutes which caught flame would soon return itself out.

Allies Make Gains On Western Front

TOKYO, Jan. 16 (Tuesday).—(AP)—American and Allied forces gained up to 12 miles Monday in a sudden offensive on the Western Korean front south of Seoul.

Tank-infantry teams by nightfall had recaptured three towns—Osan, Kumyangsang and Chon.

The attack by an army that had been in retreat since late November came only a few hours after Gen. J. Lawton Collins said American forces "will certainly stay and fight" in Korea.

Collins made his fighting statement during a visit to Korea.

A blinding morning strike by Fifth Air Force fighters and bombers paved the way for the attack.

Gen. Collins, U.S. army chief of staff and troops replacements will begin to flow into Korea in two or three months. He added at a press conference during his fourth visit to the Korean theater.

One regular army division will be organized. National Guard units will be called into service. Some replacements for American troops already are going to the front.

Allied warplanes lashed at Seoul today with a blinding one-hour attack. B-29 light bombers roared down on the airport city, 20 miles south of Seoul, shortly after daybreak, bombing and strafing enemy troops and buildings.

While Collins was taking a close look at the Korean situation, Allied troops withdrew under heavy fire from Yongju, on the east-central front. They had recaptured the fire-blackened town last Sunday.

The withdrawal highlighted the mounting pressure against the U.S. 2nd Infantry Division, which has been holding off powerful Red forces near Wepo, 20 miles northwest of Yongju.

Also a grave threat to the 2nd Division's defense of roads leading into the heart of Seoul. Korea was a Communist force of possibly 30,000 far behind the front.

This Communist force was reported operating in the rugged mountain area 25 to 35 miles south of Wepo. It threatened to choke off the 2nd Division's withdrawal route back to the main body of Allied troops.

Meanwhile, Communist reinforcements were reported pouring into the area north and west of Wepo. They would be in position for a frontal assault against the standstill American, French and Dutch troops of the division.

Life Sentence For Abortifacient Is Reduced

Life sentence for an abortifacient was reduced to 10 years and charges were dismissed against a second man accused of armed robbery, as the appellate division of the supreme court opened here today.

Sentence was reduced for mid-managed Robert Young on the strength of an appeal by lawyer T. H. Wells, counsel pleading his client had not been represented by a lawyer at his preliminary hearing and had not been able to conduct proper defense for himself.

Charges were dismissed against Gordon Manderley, who shot and killed and charged with armed robbery in October.

Manderley was sentenced to 10 years when police charged he was one of two armed men who broke into a C and C Limited (see story on Page Nine).

Power lines were broken, telephone service disrupted and roads were blocked by falling trees. Two radio towers went down at Astoria and the Washington State Police radio at Vancouver, Wash., was silenced.

At 7 a.m. gusts roared over the mouth of the Columbia River. 90 mph an hour were reported.

OFF TO JAIL

Fickle Friend Is Downfall For Vojislava

BELGRADE, Yugoslavia, Jan. 15.—(AP)—The daughter of a former Yugoslav cabinet minister has been sentenced to two years imprisonment as a consequence of choosing a faithless boy friend who spent her black market profits on other girls. It was announced yesterday.

Press accounts identified her as Vojislava Maric, convicted of dealing in the black market in finance an escape from this Communist-ruled country to Italy.

Her hopes were wrecked when police arrested Michael Ananajev, her fickle friend and accomplice who, according to court testimony, spent Miss Maric's money having a good time with other girls. Ananajev quit 18 months.

Miss Maric is the daughter of Gen. Lyubomir Maric, Yugoslav war hero and minister in 1958.

Police, Troops Nab Mad Killer Deep In Mexico

Tijuana, Mexico, Jan. 15.—(AP)—Police and troops nabbed a mad killer who had been on the loose for months in the border town of Tijuana.

The police chief said the killer, William Cook, had been captured after a long chase through the desert.

Cook, 35, was charged with the murder of a woman and the kidnapping of a child.

He was taken to a psychiatric hospital for treatment.

Police said two more suspects were being sought.

Cook kidnapped eight days ago were with him and safe.

Crimes at Camp Bring Ilse Koch Life Sentence

AUGSBURG, Germany, Jan. 15.—(AP)—A German court in Augsburg, Germany, has sentenced notorious Ilse Koch to life imprisonment.

The sentence against the frowny, 44-year-old Ilse was the second she has received for crimes committed while she was the wife of the commandant of the infamous Buchenwald concentration camp.

Knowing the sentence was approaching, she went into a tantrum Friday night and smashed the windows of a gold-plated limousine.

She was then moved to a padded cell.

\$16 Billion Asked For U.S. Tax Boost

Truman Presents War-Basis Budget for Congress Study

WASHINGTON, Jan. 15—(AP)—President Truman today laid out a \$17,594,000,000 spending budget for the United States government next year and declared sound policy requires that taxes be increased \$16,456,000,000 to balance it.

"This is a budget for our national security in a period of grave danger," Truman told the new Congress, which will have full say on new taxes.

The huge expenditure Truman proposed for the fiscal year starting July 1—more than half of which would go to the military—figures out to about \$17.6 billion for every one of the some 152,000,000 men, women and children in the U.S.

In a sense, Truman's budget message was a more conventional document than his "state of the union" address delivered last Monday.

NO ECONOMY

The fact that the budget proposed a slight increase in outlays—spending rather than the reduction many Congressmen have been demanding, seemed to assure its passage in some Congressional quarters.

So did the fact that the message called for many of Truman's pet "fair deal" measures, such as the civil rights program and a major part of the Brannan Farm Plan.

In its broad aspects, the budget, 1. Estimated U.S. military spending for the year starting July 1 at \$14,100,000,000—38 per cent of the budget total. That is more than double the \$30,427,000,000 Truman estimated would actually be spent in the current year.

ONE-TENTH AID

2. Proposed a \$7,461,000,000 outlay of military and economic aid to friendly foreign countries—compared to \$4,730,000,000 this year—to further the cause of "international security."

3. Assigned \$22,120,000,000 or 23 per cent of the total to the major other home-front costs of government, a \$1,275,000,000 increase over this year.

4. Included in this total, proposed outlays of \$1,100,000,000 to help expand production of such basic products as rubber, steel and aluminum; \$2,777,000,000 to enlarge output of "atomic materials and weapons"; \$276,000,000 to enforce the price-wage control program; \$1,000,000,000 to increase the federal estate tax; \$1,000,000,000 for business loans.

MUCH INCLUDED

5. Tucked in quietly most of all the major items which the Truman "fair deal" flag—the FEPC plan for equal job rights for negroes, federal aid to state schools, federal medical insurance with a five-year payroll tax totaling \$275,000,000.

The 2nd Mrs. Wagon campaign since then has been partly successful—two men and wounding two others.

The slain men had been brutally killed after being tortured. As the news spread through the Canadian camp, the treatment of these Chinese forces with comrades gave an added sense of purpose to their training.

Killed were a "Kiwi" battery sergeant-major and a driver whose jeep was ambushed after dark. The Canadian's statements indicate that there always be at least two men in any vehicle leaving camp and that they all be off the roads before nightfall.

Both victims had their hands tied behind their backs before they were clubbed about the chest, bayoneted in the stomach and finally shot through the throat.

The sergeant-major was stripped naked and apparently dragged to a hilltop, where he was tortured. Then, though bayoneted, he appears to have escaped in a nearby panic minus one hand, his captors having attempted it to remove a wristwatch. A trail of blood and stained-droplets indicated the house at which he vainly knocked in search of shelter and marked his last crawl to a backyard where he died.

\$70 Millions Budgeted For Alaskan Projects

WASHINGTON, Jan. 15—(AP)—President Truman said today the 12 months beginning July 1 will see continued emphasis upon the development of natural resources in Alaska.

FUA Director Issues Peace Call at Rally

A centre of strife at the recent

Farmers' Union of Alaska convention,

hasty-built F. J. Maricle of

Hemlock, Alaska, spoke in Edmonton

yesterday as an advocate of peace.

He was chief speaker on an Ed-

monton Peace Council program in the

Downtown Theatre Sunday.

Maricle was asked to resign as

director of the FUA's district four

after a meeting of his fellow-district

four, Dec. 1, during the convention.

The resignation was asked "be-

cause of association with the Cana-

dian Peace Congress."

At the time, Maricle was on his

way home from the World Peace

Congress in London and Warsaw.

The directors said they deplored

the spectacle of a director of the

FUA "leading himself and his tal-

ents to a Communist-dominated,

so-called peace congress."

Maricle and Jay Garneau of

Waukegan, also named, refused to

resign. To date, they have not been

counted from the farmers' organiza-

tion.

Almost 400 persons turned out

to hear Maricle and his peace tal-

ents in this city.

BARRIER TO PEACE

They were told the failure of

Canada to recognize the People's

Republic in China is acting as a

barrier to world peace and heard

the highlights of the World Peace

Congress and its discussion of the

problems in Germany and Korea.

Arthur Whyte, independent Social

Credit MIA, for Banff-Cochrane,

spoke on the individual's part in

maintaining peace.

Many of the audience signed

petitions to urge the United Na-

tions' efforts to stop aggression.

Barrett is chief of the State

Department's international in-

formation and exchange program

which directs Voice of America

broadcasting. He also is chair-

man of the government's na-

tional psychological strategy board.

HALT COMMUNISM

Barrett said that the Soviet

peace campaign should be con-

tinually "unmasked" for what it

is—an integral part of the ag-

gressive schemes of the Soviet Un-

ion.

But the best way to deter Rus-

sian aggression, he said, "is for

people to recover their nerve, hold

their heads and do those things

that will most surely cause Rus-

sians to halt in its present ef-

SWEET POTATO growers in Edmonton will have to go some to beat this giant specimen which sprouted this winter in the home of Lawrence Keylor, 8536-73 avenue. Big 'taters, originating in southern United States, are sold by local stores at Christmas time. Weighing over a pound, Mr. Keylor's plant has vines three feet long and still growing. Not produced in Alberta gardens, imported potatoes thrive wonderfully in jar half-filled with water.

Compensation for Oil Well Damage Held Sufficient

Present legislation affords sufficient protection to farmers for land damage due to oil operations. This opinion was rendered by the Alberta government yesterday in answer to a resolution presented by a delegation from the Farmers' Union of Alberta and Alberta Federation of Agriculture.

Resolution stated that insufficient compensation was presently advanced to farmers for land damage due to cutting up of land or opening of roads to farm wells.

Government told the delegation that it was felt present legislation covers the question of surface rights, but that further action may be taken later regarding sand and gravel rights.

ASK ADJUSTMENT Delegation told the government that some sort of adjustment should be made permitting land owners to retain some rights on sand and gravel, wherever mineral rights have been leased for oil development.

STUDY CAR INSURANCE Question of compulsory car insurance in the province is under consideration, government told the delegation.

Delegation asked for a compulsory minimum car insurance, accident protection against third-party liability due to accidents.

City Rail Clerk Heads Labor Body

Robert Atkins Elected Industrial Federation Chief

A 47-year-old railway clerk in the general foreman's office of the CNR here was elected head of Alberta's 8,000-member Industrial Federation of Labor (OCL) Saturday.

The new president, Robert Atkins, a railroad employee since 1923 is vice-president of the Edmonton Labor Council and chairman of the educational committee of the Canadian Brotherhood of Railway Employees Division 78.

Division 78 includes shop and store employees and clerks in Calgary and Edmonton (CNH yards) and the Northern Alberta Railroad.

SUCCESSORS HAMPSHIRE Alvin Haddock Jack Hampson, Alberta representative of the United Packing House Workers of America, who declined to stand for the office because of UPWA business.

Re-elected vice-president of the IFL was M. P. Sumner, IFL delegate from the United Mine Workers of America, Local 7200 at Cadmus, Alta.

WANT PRICE CONTROLS The new president, a writer on economics, issued the first statement of the new executive after an initial meeting in the Macdonald hotel Sunday, following the Saturday close of the IFL's two-day convention here.

He said plans had been laid to approach the provincial and federal government "principally on the question of a complete re-institution of price controls."

Also on the list were old age pension "reform," equalizing of widows', mothers' and children's allowances, establishment of 100 per cent compensation basis for injured workers.

RECORD SET BY 3 TWINS LACOMBE, Jan. 15.—(CP)—Something of a record has been set in the Lacombe hospital since Jan. 4.

Three sets of twins have arrived to enliven the nursery and maternity ward. The first set was born on Jan. 4, twin girls to Mr. and Mrs. I. C. Hulberg. The second set arrived on Jan. 8, twin boys to Mr. and Mrs. William Jarvis.

Time Out

By DICK BEDDOES

Blowhard Beddoe's Bits and Baldersdash:
On this last Monday in the week the news came in through the Babe Herman, the daffiest Brien Dodge of them all, has been appointed first-base coach of the Pittsburgh Pirates of the National Baseball League.

Among other things, Herman was noted for hitting well in the conversion league. One time, after an especially hot game, Babe came out of the dressing room dressed in a light, tropical suit.

"My," exclaimed a young lady to whom he was introduced, "How cool you look!"

"The Babe, bent on returning the compliment, replied:

"Thank you, m'am. You don't look so hot yourself."

Now that the University of Alberta is considering a return to football, the University of Saskatchewan Alumni Association is agitating for a similar move on the U of S campus. Both colleges dropped the pigskin pastime like a sugar ray in 1948.

Sugar Ray Robinson, world's welterweight boxing champion and just about the best fighter pound-for-pound on the globe, recently returned from a tour of Europe. The French fans were particularly impressed with his punching power, and he delighted them by belting out a couple of Parisian pugilists.

As you say in French, Sugar Ray showed his opponents no mercy.

Speaking of prauferheads, here is how the Bulletin's Casual Chats caught the outcome of tonight's bouts at the Stock Pavilion:

Main event—Proctor Heinoel over Blacky Vanderveer: semi-windup—Ray Dickson over Benny Graham. Stan James over Vic Kestis; Hal Robbins over Steve Lang and Bill Salford over Jerry Joe Edwards.

Add-some-you-meet-in-the-January-hat: Bart Gibb, former Bala sportsman, who is regarded as the make-dancing champion of western Canada... Flight trainer Barney O'Connor shadow-boxing his way down Jasper avenue. Snooker sharks Pat Nugent and John Cassidy talking about the run of 100 which Cassidy chalked up one day recently in the Red Millard hall... Alvin Earl Smith, director of traffic at the Kingsway skating pond... Tammy Rae, caretaker of Clarke Stadium... Charlie Chick, one-time U of A Golden Bear basketball player, who took the concession in the Varsity Rink... Le DeClere, who works in a hotel where the rooms are \$250 and up (mostly up)... and George Enell, promoter of the ski meets that is Mt. Norquay, near Banff.

Bucy Lights Leaf Match
Sounded by Johnny Bucy, who settled home four goals, Maple Leafs rolled to their 10th straight victory over the Toronto Maple Leafs in a game without defeat by smothering Canadian 15-1 at Eastwood rink yesterday. Coach Bob Staunton's goal, which at the end of the first period was going away from him.

Norm Ullman, 3, Bruce Clarke, 2, Dick Dunnigan, 2, Ron Tooker, 2 and Murray Dee, with one goal, also dominated the win. Jack Punk saved Canadians from being blanked.

All but two of the 22-man University of Florida 1950-51 basketball team are natives of Florida.

LACING up skates before making laps on Diamond Park oval are former Dominion speed skating champions, Verna Currie, left, and Doreen McLeod. Pair were among many enthusiasts who attended Edmonton Speed Skating Association trials yesterday afternoon. Currie held Canadian juvenile championship and McLeod was tops in intermediate races.

American Air Force Clubs Find Hoop Ceiling Zero

VANCOUVER SEEKS GRID INFORMATION

Possibility is seen of a Vancouver entry in the Western Football Conference for 1951. It was learned reliably at the week-end that certain football-minded interests in the coast city have communicated recently with the Eskimo executive with a view to finding out "all about" fielding a team in the four-team Conference that operates on the prairies.

Vancouver expects to have a new stadium with a seating capacity of 10,000 completed well before the first football is kicked next fall.

Junior Hockey Pot Set to Boil Over

By ERNIE FEDORUK
There's something cooking which will be of great interest to local junior hockey fans, according to local hockey men, who are now revealing whatever Oil Kings have up their sleeves within the next few days.

"The Big Deal" is going to help two parties. One, the local hockey fans, and the Oil Kings (match).

PLAY LETHBRIDGE
However Smallman made it very clear that he wanted the fans to know about Oil Kings' next game, Thursday night at the Gardens with Lethbridge Native Sons as guests.

"The fans should be in the front," said the blond manager, "if they remember the last Lethbridge-Oil Kings game. This was a dirty even worse than any I've ever seen."

Oil Kings, who have found that being the only local junior team doesn't help the turnstile click, are going all out in an effort to back him in Thursday night.

CUT PRICES
Smallman, who speaks just a little more often than silent Hargo Marx, continued, "In order to attract more people, we're cutting the price from 50 cents for each adult. If I'll make it more advantageous for the people to Oil Kings in action, then maybe they'll come back."

So, it is understood, fans will now pay only four bits to see Oil Kings play.

Oil Kings are trying out 19-year-old Brian Target of Wainwright, Alberta, who plays for Wainwright, who is seeking a defence berth.

Airport Applies Whitewash
Airport Stenalesters, behind a line brand of accounting by Frank Forster, whitewashed Imperial. He called 3-3 yesterday in a Commercial Hockey League game, played at South Stadium rink.

Johnny Lee, with a pair, and J. Real were the Airport marksmen two goals in the last period settled the issue beyond doubt.

Flyers Scoot to Hills After Thumping 'Co-Ops'

By Stan Mohr (Sports Editor)

Memo to Doug Lane and Flyers teammates: How's your blood count now after 24 hours as Jasper?

By the time this hits the newsstands and otherwise Flyers will have been in Jasper close to 24 hours. Yesterday morning manager-coach Frank Currie bawled his patients aboard the C.N.R. transcontinental and the junk to lady fashion didn't fool anyone. As a parting shot Flyers, who have gone to Jasper to lead a

Caps Had Early Lead
On the bright side was the fact that they scooted Caps an early 2-0 edge, then proceeded to exhibit a measure of gameness, whatever about skill, as storming into a long lead.

Well along in the third period Flyers were top of playing-coach George Allen's 'Co-Ops' by a 3-1 score. Final stages developed into a referee quest for goals, the teams turning on the red light five times in the last seven minutes.

As though to make all that certain the good of the pretenses would take over from him while he's overlooking at beautiful Jasper, the veteran Mike (Squid) Hill, forward, further increased his lead by scoring three times and finishing in two more Flyers goals.

Flyers Sloppy Defensively
Sloppy defense was for the minus forward Al McDougall (iron injury) and defenceman Billy Johnson, who has a gimpy knee.

However Flyers got their wings defeated in time to take a sting 2-0 edge before the third period was completed. Ferguson, Barry and the irrepressible Currie, beating Ray Bentley, back in the Regina cape after a recent bout of illness.

Once on the Bill Daly, Flyers never looked back. They added steadily to their margin all through the second period, winding it up with a 7-3 bulge on the scoreboard. The local out-fought Caps by the odd goal in seven as the highest scoring contest of the season to date went in third period way.

Both teams presented pitched-up lip-ops.

Flyers were without 'Bing' Mearns, Alex Pringle, Doug Anderson and Bill Pettigrew—all on the injured list.

Caps swung into action, for the second time in as many nights.

Lord Byron Reigns As Crosby Golf King

PEBBLE BEACH, Calif., Jan. 15.—(AP)—Texas rancher Nelson, once the Mr. Big of Golf, thrilled more than 15,000 fans yesterday when he won the 10,000 Bing Crosby golf tournament with a 54-hole score of 209. He put together rounds of 71-71 to top a powerful field.

The victory meant \$2,000 to Nelson, but to the par-clubbing ace, who once spread-spread the golfing world, the money was only incidental.

He was the houseman once more at Pebble Beach, where he has lived for 10 years.

Lord Byron, as he was known when he held the U.S. Open and P.A.C.A. titles, made his competitive debut in 1946. Since then, his appearances have been few and far between.

Stan Leonard of Vancouver won the list with a total of 202 in rounds of 70, 70 and 77.

In the pro-amateur best ball division, Leonard and Bill Hawthorne of Vancouver scored 116-127 for a 238. Also well behind the leaders.

Char Midgell of Memphis closed the class by 59 to take second money of \$1,250 with a 54-hole score of 122.

Tied for third with scores of 213 were Ed Furgel of Royal Oak, Mich., George Fazio of Washington, D.C., and tournament manager Julius Bore of Midvale, V.C.

McCready-Mills Get Imported Rei
Bill Sherrett of Tulsa, Oklahoma, has been assigned to maintain law and order when Earl McCready and Al (Tex) Miller meet in the main event of tomorrow night at a raslin' card at the Stock Pavilion.

McCready and Mills will battle it out for the Canadian heavyweight raslin' title (Edmonton branch).

They should meet youthful Lou Sieberg in the semi-final while Ted (The Atomic Bomb) Ryan faces his Edmonton debut against Pat Lortie in a special bout.

Jimmy Vilinski and Lloyd Wajack, morning commences proceedings, starting at 8:30 o'clock.

THREE CASUALTIES MISS JASPER TRIP

EDMONTON BULLETIN, Monday, January 15, 1951

When Flyers headed off to Jasper yesterday morning for a three-day holiday stopover in the mountain resort, injured players Alex Pringle (back), 'Bing' Mearns (wrist) and Bill Pettigrew (back) were not in the party.

All three have to remain behind because they're taking daily treatments for their injuries. Flyers' manager-coach Frank Currie explained.

While in Jasper Flyers will curl, ski (perhaps), bowl and otherwise 'forget' hockey, except for thoughts of the first and 15th. They are scheduled to return Wednesday night.

The next outing for the locals, who have a three point bulge at the head of the WCHL standings, is Saturday night at the Gardens. Riley Mullen's Quakers (remember them?) will provide the opposition.

Organized Baseball Postponed for Year

CALGARY, Jan. 15.—(CP)—A decision to postpone organization of professional baseball in Alberta for 1951—for reasons beyond control of sporting interests of Edmonton, Calgary, Lethbridge and Medicine Hat—was made yesterday at a special conference of the Alberta Big Four league.

against any type of full-time baseball operation this year on an inter-city basis. But it was decided to organize, for next year, a four-city circuit which would be the jurisdiction of the National Association of Professional Minor Leagues.

The lengthy resolution covering the situation cited three reasons for the postponement action. They are: Unsuitable international conditions; unavailability of American players; due to the military draft, and inability to obtain working agreements with any major or high minor league club.

The four cities will endeavor in coming weeks to establish some purely local form of baseball operation for this season.

Attending the meeting were John Dorey, Edmonton; V. C. Currie, Calgary; Len Downing and William Hogg, Medicine Hat; Birney Merchant, Lethbridge; and Paul Mudge, Lethbridge.

Triumphs Come Easy
Latter Day Saints rolled to an easy 47-38 triumph over Catholic Jack O'Connell in a City intermediate basketball league game played at RCMP gym Saturday night.

Joe Fairbanks, with 19, and Ben Peterson 19, sparked the winners.

In a second game YMCA Tigers played the RCMP squad tied of their opponents, John Polonski and Jack O'Connell, and proceeded to hand the Mounties a 47-35 defeat.

Only four members of the RCMP team played in the game of the day. Main, left, the game was severely injured his knee.

Junior Hoop Action Tonight
Don MacLean's slumping Shamrocks, after losing their last four games by a single point, will be out, to hand Varsity Heatcats their first loss of the season when the teams meet in the second game of a Junior Men's Basketball league doubleheader tonight.

Game will be played at St. Anthony's gym as part of a doubleheader. In the first game, St. Anthony's meet YMCA Jacks, starting at 7:30 o'clock.

Kennedy OK
TORONTO, Jan. 15.—(CP)—Toronto Maple Leafs of the National Hockey league gained strength down the middle yesterday with the return of the first game of the season from the injured list.

LAC LA BICHE, Jan. 18.—At a large meeting held in the memorial hall, Robert Muir, assistant provincial commissioner for the Red Cross and A. E. Pearce, chairman for the Lac La Biche zone, addressed the group.

Rev. J. E. McGrane introduced the speakers and acted as chairman, while Mrs. W. J. Chester was the secretary.

Mr. Muir complimented the women of the Institute for the splendid co-

operation with the Red Cross during the last war.

The following officers were elected: president, Rev. J. E. McGrane; first vice-president, Mrs. W. P. Plimondan; second vice-president, A. Proctor; secretary-treasurer, W. J. Chester.

The chairman of the disaster and welfare committee, blood donors' committee, and campaign committee are respectively: John Hannochko, J. Williams and Miss V. Welsh.

8 EDMONTON BULLETIN, Monday, January 15, 1951

SPEDDEN, Jan. 15—A one-third increase in hamlet taxes in the province recently brought delegates from hamlets in the Smoky Lake municipality together with their municipal representatives to discuss possible alleviation from the increase.

Act last year requiring hamlet residents to pay taxes on 100 per cent of their assessment instead of on two-thirds as in previous years. Delegates from Warsaw, Bellin and Spedwed were told by secretary-treasurer, R. Antoniak, that the amendment came in the wake of protest from villages, school divisions, and other municipal corporations. A convention of municipalities was later told by secretary asking for the change in the hamlets' levy.

that a new general assessment if requested would shrink the increase. Delegates resolved, however, to take the request up with the ratepayers since no other possible relief was in sight.

O. Lorensen, Warspite delegate, said that the ratepayers would be necessary for them to single-handedly develop the future villages and towns of the province.

Of the 33 presidents of the United States, 18 came from families of English ancestry.

VIKING, Jan. 15—Viking municipal hospital board has received a petition from the ratepayers of the area of the hospital district comprising the south half of township 50, range 13, west of the 4th

The Viking board feel they cannot have their district lose any of the present area. The Municipal District of Minburn also sent a

REDWATER, Jan. 15—A breakin at Phil Horbal's Store on Main

Apparently nothing had been stolen, but glassware and dishes were broken and scattered up and down the front sidewalk and in the lane at the side of the store. Some of the china was found at the rear of a nearby barber shop.

Neither neighbors, nor the Horthal family who live in an apartment at the rear of their store heard anything. Police are investigating.

ALIX—Two-room addition to Alix School is nearing completion.

Grades three to six have been moved into the new rooms from their temporary quarters they occupied since September.

Prayer for Peace

I think this little poem, composed by Mrs. Harold Seldin of Edson, is most timely: It's entitled "A Prayer for Peace."

Dear God he is so young to face,
The horrors of war's awful face,
His eyes on both have never stared
His youthful mind is unprepared
To witness all the terrors start,
That on each soldier leave their mark.

I see him still a little boy
In that picture book or toy,
I know in stature now he's grown
But still the world has never shown
Its dark and tragic times of grief,
His life has been so very brief.

He's never looked on naked hate
That only needs to devastate,
The things that stand aloof to us
His only known the sins of youth,
His life has all been peace and joy,
He holds no grudge to anyone.

So why should he and millions more
Be made to settle hatred's score?
Why should their bright young lives be wasted
Before the fruits of years is tasted?

Here, on my knees, Dear God I plead
Let there be peace without the need
Of sacrificing him and others,
This is the special prayer of mothers.

Mrs. Seldin penned the poem after her ten-year-old son came home from school and announced that several of his classmates attending being called for army training within the next year.

A big, glad-to-see-you're-back home to fellow-column grinner Jack Scott. The Christmas season hasn't been any too bright for either of us Jacks.

This little note from associate secretary James R. Easkins of The John Howard Society does my heart good: It reads:

The results of your writing in On The Town have been most gratifying. Our clothing problem has been adequately resolved for some time to come because of your efforts.

If you have another of those orchids I would appreciate it very much if you could divide it up and hand it out to all those who so generously responded to the appeal.

A nice goodnight to all and especially to car drivers who get red tickets.

Life-Term Sentence Heads List of Appeals

The appeal of a self-confessed abortionist against a life imprisonment sentence imposed here last spring heads the list of criminal cases to be heard beginning Monday by the Alberta Appeal Court.

Robert Young, who will return from Prince Albert penitentiary for trial, pleaded guilty to the charge of procuring an abortion when he came before Magistrate S. G. Main in police court last spring.

The 31-year-old girl for whom Young procured the abortion was in critical condition for almost a month following the operation.

Previously convicted Young admitted serving three-year and six-year terms for abortion prior to sentencing in Calgary courts during the last ten months.

Assistant Crown Prosecutor Guy Beaudry at the trial asked Young to give a life sentence. "You're lucky you're not charged with murder," he said. "I'm asking for the maximum penalty. You deserve to be locked up for the rest of your life."

The Crown is the appellant in the case. The appeal was taken by Robert Morgan and Edward "Red" Wilson, each sentenced to two years less one day for breaking and entering and wounding. The pair were captured by RCMP as they attempted to break into a Devon garage.

One of the officers, Corporal C. Klapek, was out in the field by one by one of the men as they attempted to escape and this led to the present charge.

Financial record showed \$300 donated for missions and for Conventia College building fund in 1950.

Total membership rose 21 during the year, bringing the total to 400. Attendance at the annual meeting increased with the average attendance, since 1949.

Community Meet
Chloroform Community league will hold a bridge drive tomorrow night at 8 o'clock in the Community hall. Refreshments will be served.

6 STUDENTS FEATURED
Standing Room Only
For Allegro Concert

Late-comers had to stand, as Edmonton music-lovers crowded into the Museum of Art for the monthly Allegro recital, Sunday.

It's Edmonton's Own Sun Valley

SKIING AND SKATING within city limits is winter-time privilege Edmontonians can enjoy in manner not possible in most cities of same size in Canada. Snow-bird's eye view of ski lift and hill at White Mud Creek Park just inside city's southeastern limits was taken by Bulletin photographer Eric Bland as afternoon shadows lengthened on spruce clad slope. Usually

crowded ski camp was emptying late Sunday when aerial view was taken of skiers and skaters on cleared patch of White Mud Creek's frozen waters. Creek joins North Saskatchewan just beyond left of picture. Mild winter is adding to city's skiing pleasure, with slopes crowded.

2 Business Firms, Residence Damaged in Week-End Fires

Two business firms and a city residence were extensively damaged in two separate fires in Edmonton over the weekend.

Interior of Terry's Coffee Bar, 1024-124 street, was extensively damaged in the basement early Sunday, and spread to Binkley's Bakery, 1022-124 street, which shared the same building.

Police said the coffee shop was damaged by Philip Dauber, 4144th district resident.

Walter H. Bindon, owner of the building, said stacks of flour, sugar and other bakery supplies were completely destroyed by smoke and water damage. The premises also suffered smoke damage.

No estimate was given of the total loss in the shops.

Three lines of hose were laid into the burning building, by firemen from No. 2 and No. 8 station under assistant Fire Chief John Robertson.

HOUSE DAMAGED
Fire which broke out late Saturday afternoon caused heavy smoke damage to house of Mrs. C. Ferguson, 1319-43rd street.

A sewing room, where the blaze started, was destroyed. The fireman's residence was badly damaged.

The brief fire was kept from spreading by firemen from No. 3 and No. 2 North Edmonton stations under Deputy Fire Chief James McMahon.

IOOF Officers
To Be Installed
Installation of IOOF officers will take place in IOOF hall, 160 street, on Monday at 8 p.m.

Officers from Friendship Lodge No. 7, Norwood Lodge No. 41, and Nampa Lodge No. 41, will be installed by L. Brown, IOOF district deputy grand master.

Trustee Chosen
TOWFELD, Jan. 15.—Charles Sears was chosen divisional trustee for Holden division at district meeting.

Reflected after running around the city, the divisional trustee is still approximately \$25,000 short of his \$170,000 objective, receipts at the present time show an increase over the same time last year.

The Leithbridge and Edmonton areas show the greatest increase and the work of the area directors was commended by C. H. Crook, association president from Hlab River.

Credit Unions Have Assets Of \$4.6 Million

Alberta's 398 active credit unions had assets of \$4,612,000 at the end of November, according to officials of the government's co-operative branch.

Since the credit unions were organized in 1938, a total of \$18,000,000 have been paid out in loans. At present, \$3,812,000 in loans is outstanding.

Two co-ops hunters escaped injury Saturday when their light plane crashed on take-off from an ice-covered landing strip here.

Abroad the plane was piloted by G. McCulloch and in the last 10 days had bagged 65 of the predators.

The aircraft failed to take to the air and crashed into a clump of bushes at the end of the landing strip. It sheared off a tree and a fence post.

Delegates Named
To Builders' Meet

J. E. Poole, Alberta vice-president of Canadian Construction Association, will head a four-man Edmonton delegation to the association's 33rd annual meeting at Quebec City, January 21-24.

Independent from the regular hospital X-ray department and are used only for the detection of tuberculosis.

General and Misericordia hospitals in Edmonton have applied for the equipment and will be the first hospitals to be supplied.

The General already has a \$3,000 unit but will need another \$6,000 unit to have complete equipment.

Chest X-ray units are complete independent from the regular hospital X-ray department and are used only for the detection of tuberculosis.

Every incoming patient will be given a chest X-ray as part of the routine admission procedure. It is the ultimate aim of the hospital to outfit every hospital with chest X-ray equipment.

Collective Bargaining Held 'Duty'

Union Organization Need Stressed at Convention

Alberta's wage earners are "duty bound" to seek the benefits of collective bargaining through union organization, K. A. Pugh, chairman of the provincial board of industrial relations, told delegates at the Industrial Federation of Labor (OCL) convention which concluded here Saturday that Part Five of the Alberta Labor Act was designed for the purpose.

"It is contemplated every employee in the province will have about bargaining. Mr. Pugh told representatives from packing house, mine, construction and city employee unions.

"We will not enjoy higher standards of living unless organized labor can negotiate with employers on better standards of living," he stated.

The board chairman placed some of the blame on the employee himself for failure to improve his position.

"EYES ARE CLOSED"
"Even in the ranks of organized labor there is a tendency to work overtime without thought of others," Mr. Pugh said.

"I have factual evidence where men have told our inspectors they won't work unless they get 12 to 16 hours a day—at straight time."

"We distinguish between both employer and employee closing their eyes to fair labor legislation," he added.

If men cannot obtain wages to maintain a standard of living without overtime there is no use talking about shortening the work week, Mr. Pugh said. "The 36-hour week is merely used as a yardstick for overtime."

A total of 10,000 in arrears of wages was obtained from employers for minimum wage infractions in 1950, the chairman reported.

SH CHARGES LAID
He said it was a small item of the \$107,711 total paid over by Alberta employers during the year.

"Commission of payment to employees under the province's labor legislation."

During the 12 months 85 charges had been laid against employers with 24 convictions and over \$100,000 in wage arrears collected, he told the meeting.

Farmers and city workers had much in common, Henry Young, recently elected president of the Farmers Union of Alberta, told the convention. "But there's no check-off system possible to collect union dues for farmers."

"PART OF SAME GROUP"
"To me, people who work on farms and people who work in cities are two branches of the same working group," Mr. Young said.

"Unfortunately not all farmers realize that, even now," he added. "They still think they're capitalists."

"The large farmer's own fault of he's been given as good a deal as organized labor," the FUA president said.

The "horse and buggy curricula" of present day public and secondary schools was criticized by E. McGuire, chairman of the CCL educational committee, as being dictated by the universities for the benefit of the 10 per cent of students who went on to the professions.

The classical education in secondary schools was useless to the needs of the people who go into industry and commerce."

The OCL was expending time and money on an effort to promote adult education, he told the delegates.

Gas royalty is 15 per cent of production, but the minimum of three-quarters of one cent.

Church Gains Membership

Officers of Christ Lutheran church, 90 street and 116 avenue, were elected at the annual business meeting held in the church hall.

Named as trustees were M. Otto and T. Kruger and as deacons A. Wagner and H. Hopkins.

G. Galtie was elected secretary-treasurer and Rev. Randolph H. Mohr was again pastor.

Membership report showed that there was a 20 per cent increase in members, new members being 117 baptized souls and 82 confirmed members. The Sunday School also showed an increase in attendance and four new teachers were added to cope with the numbers.

As a mission the church still received financial assistance from the mission board of the Canada district of the American Lutheran church. However, during the past year members raised almost as much for benevolence and mission work as they did for the church budget, the ratio being 60-40.

Man Breaks Both Legs

Herbert Jones, 40, of 1182-124 street, was brought to University hospital yesterday from Lacombe, suffering from a badly smashed right knee and fractured ankle.

James A. McQuire, who was on the CNR Calider-to-Mirror run, was shouting cars in the Mirror yards, when the shunting engine advanced and derailed the car on which he was riding.

He leaped from the top of the falling car and landed heavily before the track, breaking both legs.

Jones was taken to the Lacombe hospital and later removed to the University in Edmonton where his general condition is reported to be good.

INSURANCE PLANS
The convention endorsed a resolution asking for amendments to income tax regulations which would allow all medical expenses including optical and dental, of a wage earner and his dependents to be deducted.

Delegates also endorsed resolutions calling for increased ambulance service "in all Alberta cities."

WANT AMBULANCE
"Ambulance service should be stationed at one hospital, at least, and be available 24 hours a day; the present situation is inadequate," a doctor or an intern should accompany the ambulance when called.

The IFU group supported increased use of union labels, enactment of minimum wage legislation, labor council, legislation against racial discrimination "in the everyday life of the people."

Under provincial legislation they endorsed, among others, resolutions urging minimum wage legislation in Alberta to establish at least 85 cents an hour "for males and females," and establishment of "suitable detention homes for misguided youth where they will be separated from hardened criminals."

EDMONTON BULLETIN, Monday, January 15, 1951

Social and Personal

Theatre Party for Club

Edmonton Theatre managers have popped a big plum into the yearly pie of fun for Friendship Club members. A theatre party will take place at Garneau Theatre Wednesday. Doors will open at 1:15 p.m. Invitations have been extended to all members, persons on the membership list and to veterans of Government House convalescent hospital.

Mrs. Leo Naubert, Glyette Club representative on the Friendship Board of Directors, is in charge of arrangements for the party.

Transportation for the veterans is arranged by Harold Wright, department of Veterans Affairs.

Mrs. Eve Henderson, Friendship Club founder and Mrs. Roy Lambertson, board president, will welcome guests. Board members will assist as ushers.

Roadbuilders' Wives Have Fun

Road of entertainment has been planned for wives of delegates to seventh annual meeting of Canadian Construction Association, Pacific roadbuilders section.

Meeting place at Macdonald hotel today, tomorrow and Wednesday activities will include dinner and dance tonight at 7 p.m. Tomorrow afternoon tea will be served at 1:30 p.m. in the hotel ballroom. Wives of delegates will be followed by Mrs. J. C. Balfour.

Jaycees to Crown Queen Feb. 2

Crown of snowdrops will be placed on the pretty head of the "Snowdrop Queen" when Junior Chamber of Commerce hold their annual wintering ball Feb. 2.

Party will be held at the Alexandra ballroom from 9 to midnight. Annual "Snow Ball" will feature fashions, prizes, novelty floor show and dancing. Tickets \$5.00. Arrangements are in hands of Donald McCannell and his committee.

YWCA Mixed Bridge Plans Ready

Hearts and spades take the limelight ahead of hearts and flowers Wednesday when YWCA seasonal mixed bridge is held. More than 100 cardinals will be seated at tables for the party arranged by Mrs. Frank Upgill and Mrs. Bernard Goss.

Guests will include Mrs. M. J. Holsenback, Mrs. F. Hennington, Mrs. K. W. Conacher, Mrs. W. C. Goss, Mrs. M. J. Holsenback, Mrs. F. Hennington, Mrs. K. W. Conacher, Mrs. W. C. Goss, Mrs. M. J. Holsenback, Mrs. F. Hennington, Mrs. K. W. Conacher, Mrs. W. C. Goss.

HONORING Miss Sheryl Olson

bride-elect of Jan. 17, Mrs. Peter Lapski and her daughters Billie and Eugenia were hostesses at Cup and Saucer social recently.

Fits from 32 guests were presented in pink and white decorated basket.

Lace cloth on the tea table was centered with crystal bowl of pink carnations and white baby chrysanthemums flanked by tall pink lilies. Mrs. M. A. Chelkova and Miss Alexandra Serdyak assisted in serving.

THEATRE PARTY plans are in hands of Mrs. Leo Naubert for Friendship Club members. Oldsters will see movie Wednesday at Garneau Theatre. Edmonton Theatre Managers are party hosts.

Edmonton chapter is one will hold an emergent meeting in central Naubert Temple, Wednesday at 8 p.m.

Calendar

WETASKIWIN will be future home for just-weds Mrs. and Mr. Peter Ingram. Bride is former Mary Ellen, daughter of Mr. and Mrs. V. Milan of Thorold, Bridgeport is son of Mr. and Mrs. Zec Ingram of Lac La Biche. Couple pledged vows at McDougall United Church.

Mildred Lapp Chooses Taffeta Bridal Gown

Bright with spring flowers, First Baptist Church made an attractive setting Saturday for the wedding of Mildred Rhonda Lapp to George Stefank.

Daughter of Mrs. E. Lapp of Edmonton, the bride was given in marriage by her brother Kenneth, bridegroom is the son of G. Stefank and the late Mrs. Stefank of Lethbridge.

For the evening ceremony, performed by Rev. E. J. Bailey, the bride wore a taffeta gown with a full skirt and a long train. The bride's hair was styled in waves and she wore a large veil.

The bride's bouquet was composed of white roses and lilies. The groom's boutonniere was a single white rose. The wedding cake was a three-tiered cake decorated with white frosting and flowers.

The wedding ceremony was held at 7 p.m. in the sanctuary of the First Baptist Church. The church was filled with guests, including family and friends.

The bride and groom were accompanied by their bridesmaids and groomsmen. The ceremony was a traditional Protestant service.

The bride and groom were married by Rev. E. J. Bailey. The ceremony was a beautiful and memorable occasion for all who attended.

Lions Ladies Name Mrs. Kirstine Head For 1951 Activity

Mrs. A. G. Kirstine was installed president of Lions Ladies Club at their first meeting of 1951 held recently at the Cottage Tea Room.

Guest of honor at the meeting, which took the form of a banquet, was Mrs. William Paulson, who will leave Edmonton shortly.

She was presented with a gift by Mrs. J. W. Woods on behalf of the club in appreciation for work she has done for the club.

Annual reports were given by the 1950 executive showing progress and success of year. Plans were made for new activities in 1951.

Other officers elected included Mrs. C. J. Jones, vice-president; Mrs. E. F. Mack, treasurer; Mrs. J. F. Wallace, secretary.

RED DEER will be new home of Mr. and Mrs. John Ruffa, who were married recently at St. Joseph's Cathedral. Bride is former Ann Malachuk, daughter of Mr. and Mrs. E. Malachuk of Thorhild. Bridgroom is son of Mr. and Mrs. John Ruffa of Edmonton.

Robertson United Church Scene of Burton Wedding

Robertson United Church was setting for a pretty wedding recently when Leola Lillian Kuzik became the bride of Victor Kenneth Burton.

Bride is daughter of Mr. and Mrs. Paul Kuzik, her husband is son of Mr. and Mrs. Frank V. Burton.

Rev. Angus MacQueen performed the ceremony against an altar backed with chrysanthemums. Bride, given in marriage by her father, chose a gown of Chantilly lace over eggshell satin. It was styled with a Queen Anne collar, long sleeves and a train. Her Chantilly lace veil was caught to a beehive of orange blossoms.

She carried a Bible garnished with Tullian roses and her only jewelry was a cross, a gift of the groom.

Miss Edna Milers was maid of honor, wearing a pale green nylon net dress. She wore a halo hat of green nylon net.

Bridesmaid, Miss Jean Zadowich, wore a yellow satin gown with a white collar and white accessories and a corsage of yellow roses. Mother of the bridegroom was in a blue satin dress with black velvet accessories. Her corsage was of yellow roses.

Chrysanthemums and carnations surrounded the four-tiered wedding cake. Mr. Gordon McKillop proposed a toast to the bride.

Following a honeymoon trip, the newlyweds will make their home in Vancouver.

For travelling the bride wore a navy dressmaker's gingham suit with black accessories. She wore pearls to match and a black fur-trimmed coat.

Eastwood Choir Sings for Oldsters At Friendship Party

Musical evening was held recently by Eastwood United Church choir for members of Alberta Avenue Friendship Club.

Mrs. T. Clarke recognized the choir which was led by Miss Kay Clarke.

Chairs taking part in the program were Bruce McCulloch, Robert Lusk, Barbara Klett, Ann Mills, Dorothy Lusk, Jean Bonner, Norma Dwyer, Doris Smith, Helen Deary, Mildred Murray and Margaret Hume.

Launch was served by Ladies' Auxiliary.

Next evening at Alberta Avenue Friendship Club will be held Jan. 22.

Shim-Lined Frocks Advocated by Dior

Daytime dresses and suits for spring are cut along slim lines, although Christian Dior says they can be either slim or full, whichever makes the woman "more beautiful."

Dior also likes slightly longer skirts, in contrast to shorter styles, shown by most American designers for spring.

Spring frocks can be any length, from a short jacket with a knee-length skirt to a full-length frock.

Remember, too, that spring frocks are back for spring frocks, and that the new frocks are back for spring frocks.

Favorite perennials, such as the daisy, the carnation, and the pansy, are still in vogue.

Ford's President Attacks Gov't

Rhys M. Sale Suggests War Preparation Program

TORONTO, Jan. 15.—(BUP)—Rhys M. Sale, president of Ford of Canada, charged the government today with "herding us into the woodshed and telling us not to be frightened" when the Third World War already had left a million homes in ashes.

"We are living in a tinder-dry world in which a single fire is raging and dangerously near to being out of control," Sale said in a speech prepared for delivery to the Canadian Club.

"A shift in the wind may have us Canadians scurrying for our very lives unless we have the common sense to plug our firebrakes while there still is time."

Sale said Canadians had been too much "soothing assurance" and too little sober fact at a time when "a million homes already lie in ashes" and when "uncounted human bodies are buried in the mines."

PRESENTS PROGRAM

In one of the most bitter attacks on the administration's policy by an industrial leader since the Communists invaded South Korea, the head of the nation's largest automobile-making firm suggested a program to gear Canada for immediate retaliatory action against Communist aggression.

The Ford president, who repeatedly has asked the government indirectly in his public speeches for a share of war contracts, suggested these points as the crux of what Canada should do toward preparation in the next 12 months:

1. Immediate recruitment by whatever means may prove necessary of land, sea and air forces, placed on a full war footing with the most up-to-date arms and equipment available.
2. Intensified reserve force training of necessary on a compulsory part-time basis.
3. Diversification of federal social security spending plans to preparedness measures.
4. "Positive steps" to quickly accelerate defense production, not forgetting further development in the atomic field.

MOBILIZE WOMEN

1. Immediate recruitment by productive facilities ready for a "Red" use of women. Some Red stock-piles might be our salvation.

6. Mobilization and training of women for the necessities of war.

7. A pay-as-you-go tax program to meet doubled or tripled defense spending.

Pravda Charges States, France

MOSCOW, Jan. 15.—(AP)—Western diplomats today are talking a serious word in preparation for a report charging the United States and France are arming Chinese Nationalists in Indo-China for an invasion of Communist China.

Pravda carried this report yesterday, saying a French-American plan has long been in preparation and now has been approved, with details being worked out.

Former MP Dies
MONTREAL, Jan. 15.—(CP)—Justice Louis A. Rivet, 77, retired judge of the circuit court of Montreal, died yesterday. He was a member of parliament for Hochelaga from 1904 until 1911 and a founder of the Montreal Star Association.

Many drains off thousands of young factory and mine workers the armed forces almost overnight.

The Ford president, who repeatedly has asked the government indirectly in his public speeches for a share of war contracts, suggested these points as the crux of what Canada should do toward preparation in the next 12 months:

1. Immediate recruitment by whatever means may prove necessary of land, sea and air forces, placed on a full war footing with the most up-to-date arms and equipment available.
2. Intensified reserve force training of necessary on a compulsory part-time basis.
3. Diversification of federal social security spending plans to preparedness measures.
4. "Positive steps" to quickly accelerate defense production, not forgetting further development in the atomic field.

MOBILIZE WOMEN

1. Immediate recruitment by productive facilities ready for a "Red" use of women. Some Red stock-piles might be our salvation.

6. Mobilization and training of women for the necessities of war.

7. A pay-as-you-go tax program to meet doubled or tripled defense spending.

TRUMAN ASKS SEAWAY START IMMEDIATELY

WASHINGTON, Jan. 15.—(AP)—President Truman today said the defense program has created "a new and special urgency" for construction of the St. Lawrence seaway and power project.

Construction of the joint Canadian-American project, he told Congress in his budget message, should be started "at the earliest possible date."

"I urge the Congress to authorize this program without delay."

Red Leaflets Found Hidden In Lumber

WILKES, Ont., Jan. 15.—(CP)—When the freighter Katy docked here from East Germany, stewards uncovered a new technique in "iron curtain" propaganda. Hidden among the timbers they found several parcels, addressed to the dock workers of Wilkes.

Inside were bundles of leaflets urging support of "Red Women's Peace Committee." Bundles of bundled leaflets, captioned "war and peace" were also included.

In large block letters, the leaflets urged: "Warfare loading and discharging of ammunition and arms and you will give the best welcome to all those who are endeavoring to avoid a new war. Be on your guard for the imperialists are trying to find a way for a new fearful conflict. Defend with all means the peace of the world."

ROYALTY STRICKEN
THE HAGUE, Netherlands, Jan. 15.—(Reuters)—Prince Bernard of The Netherlands and his widow, daughter Princess Beatrix, 12, are both in bed with influenza, it was learned here today.

ENABLING Capt. Jack Stroud to lead Tennessee football team against Texas in Dallas. Cotton Bowl was mark worn to protect ward jaw.

SW Ontario Hit By Freezing Rain

TORONTO, Jan. 15.—(CP)—Freezing rain in Southwestern Ontario last night disrupted airline and bus schedules but the two major railways reported the bad weather had no effect on train arrivals or departures. Only one flight was reported out of Malton Airport after 1 p.m.—to Saint John, Marie and the Labrador.

Four delegates from each of the army, artillery, engineers, agriculture, forestry, medical, ordnance, electrical and mechanical, engineering, army pay, dental and intelligence corps associations showed up for the annual meeting.

Army Recruits Lacking Defence Group Is Told

OTTAWA, Jan. 15.—(BUP)—A spokesman for Canada's Defence Association said today there was a woefully acute shortage of recruits in the armed forces and that many officers lacked the experience necessary to lead their men.

"A reserve force officer can learn. He is not a born leader of a unit, but he can't learn to lead men that way," the spokesman said. "At the present time, many reserve officers have no men to lead."

The critic, a senior official of the Association and a much-decorated retired army officer, declined use of his name. He said his statement was issued to point up the immediate need for compulsory reserve training.

He said the Association's call for peacetime reserve conscription was backed unanimously by 48 delegates from corps associations at last week's Defence Association annual meeting. The delegates represented more than 400 "reasonably-thinking experienced army officers," he said.

CLAXTON SPEAKS
Defence Minister Brooke Claxton attended the Association's annual meeting and was host to the convention's final luncheon. He told the reserve officers that any decision to implement their call for peacetime conscription rested with the government and parliament.

Processing of apricot stones for edible oils is an important by-product of Australia's canned fruit industry.

REALLY, SKIN GOOD-BYE!
Make the skin look better. After removing makeup, apply a little of this skin cream. It contains natural skin oils and vitamins to keep the skin healthy. It removes blackheads, relieves dryness and soothes the skin. It is the best skin cream for the face. It is the best skin cream for the face. It is the best skin cream for the face.

PERSONAL TRAGEDY strikes at Korean mother in line of terrified refugees from fighting zone in Quang area south of Seoul, Wm. bent over by pain, sobs as she hails with her child in flight to safety.

REDS USE NEW DODGE TO SCARE UN TROOPS

ON THE WESTERN FRONT, Korea, Jan. 15.—(AP)—Sound is the terror weapon of the Chinese Red Army.

A shepherd's horn whose hollow howl echoes the moonlight from the throat of an unseen enemy.

Drums throb with frightening incantations across Korea's front hills.

UN intelligence officers say China's Red army is using sound on a calculated basis.

A careful examination of the use of sound has disclosed a number of objectives:

1. They frighten the soldier in the front line and make him feel determined and of his own accord with a shepherd's horn.

2. They frighten the soldier in the front line and make him feel determined and of his own accord with a shepherd's horn.

3. They frighten the soldier in the front line and make him feel determined and of his own accord with a shepherd's horn.

4. They frighten the soldier in the front line and make him feel determined and of his own accord with a shepherd's horn.

5. They frighten the soldier in the front line and make him feel determined and of his own accord with a shepherd's horn.

6. They frighten the soldier in the front line and make him feel determined and of his own accord with a shepherd's horn.

7. They frighten the soldier in the front line and make him feel determined and of his own accord with a shepherd's horn.

8. They frighten the soldier in the front line and make him feel determined and of his own accord with a shepherd's horn.

RCAF Changes Requirements For Ground Crew Recruits

OTTAWA, Jan. 15.—(CP)—The RCAF announced today entrance requirements for men enlisting as ground crew "have been altered considerably" in an effort to solve one of the worst shortages facing the armed forces.

The new standards are virtually those which would apply in wartime.

The educational requirement is fixed at Grade Eight for all ground crew recruits, their age limits are being raised from 30 to 40 and aptitude and classification tests are being eased.

The shortage of ground crew is probably the most serious manpower obstacle confronting the RCAF's plan to triple both its operational and training activities this year.

Ground crew entrants now must be 17 or over, and must not have reached their 40th birthday. Parents' consent is required for those under 18.

Air force authorities said that a change in the ground training pro-

gram, put into effect last year, has been a factor in slowing the reduction of entrance requirements. Under the new program, much theoretical instruction previously included in the airman's basic training period is now made available at a later stage.

A. Stuart Bird, supervisor of physical education, Edmonton Public School Board, will be guest speaker at the annual monthly meeting of the Virginia Park Home and School Association Thursday at 8 p.m. Meeting will be held in the school auditorium.

Mr. Bird will speak on "Character Building Through the Physical Education Program."

Hearing Deferred On Freight Rates

Objections of 8 Provinces Heeded by Commissioner

OTTAWA, Jan. 15.—(BUP)—Efforts by the Board of Transport Commissioners to untangle Canada's freight rate structure ran into sharp provincial opposition today and were adjourned until March 5.

Adjournment was ordered by Chief Commissioner M. B. Archibald after all provinces except Ontario and Quebec objected to any hearing on freight rate equalization at the present time.

The hearing was to have been held to allow the board to seek ideas from the railways, the provinces and other parties on rate equalization.

The Canadian Pacific Railway told the board it is prepared to present a brief for consideration by all parties. However, the Canadian National Railway said it is not yet in a position to present a brief.

SCOPE DISCUSSED
Counsel for the government-owned line—A. K. Dyar—contended that the board had no jurisdiction to limit its investigations to rate equalization. He said the CNR believed that the board's job was to ascertain what the railway Act governing equalization was being observed by the railways.

Mr. Dyar suggested that this meant that the board should make a general investigation of Canada's freight rate structure. He said it should also investigate "certain complaints" that regional differences were discriminatory.

Flu Germs Scrutinized By Health Dept.
Provincial health authorities are currently checking influenza types discovered in Alberta as a precaution against the introduction of the present English flu here.

Provincial authorities said today there is little danger of the type of disease breaking out in Alberta. However, as a precaution, type of influenza discovered in the province are being identified and compared with specimens from England. To date the check has produced no increase of the English type of influenza according here.

Wages Boosted
WINNIPEG, Jan. 15.—(BUP)—Employees of the Manitoba Cold Storage Company are to receive a five per cent increase of seven cents an hour under a new working agreement.

DAVE ROCK recently arrived here from Scotland, will be introduced in "Varieties of 31," Paul Baker and Mugsy Forbes, a comedy team appearing for the third year and six-year old Beverly Green take special roles.

KOREA ZONE MONEY NOT GOOD IN U.S.

SAN PEDRO, Calif. Jan. 15.—(BUP)—Municipal Judge Joe Rayneri here but the last laugh today on delinquents overseas who send Korean war zone money to pay fines. Rayneri ruled that five U.S. one-dollar notes issued to military personnel in the war zone were not legal tender in his court. The bills were sent by merchant seaman Frank Field to pay a traffic fine.

And, when Field goes back from Korea, he will be docked two dollars more for trying to pay the fine in military currency.

Fourteen of the accidents were of minor nature.

The eight injured were taken to University Hospital at 8 p.m., yesterday after vehicles driven by Emil Rostker, 8015-73 street, and R. J. Kimmin, 8216 Jasper avenue, collided at 99 street and 83 avenue.

A third car parked at the curb slightly damaged in the accident.

Bishops Given Life Terms In Treason Trial

PRAGUE, Jan. 15.—(AP)—Two bishops were sentenced today to life imprisonment for crimes against the Czechoslovak state.

They were Bishop Pavel Gajdosik, 62, Greek Catholic (Uniate) Primate of Czechoslovakia, and Bishop Michael Buzinka, 65, a Roman Catholic prelate.

Another Roman Catholic prelate, Bishop Jan Vojtasak, 73, was sentenced to 24 years.

The sentences were handed down in Bratislava state court and reported by the court clerk via radio to the telephone message.

The three bishops were charged with treason and espionage against the Communist regime. They also were accused of helping the Germans during the Second World War.

In addition, Bishops Buzinka and Vojtasak were charged with plotting against the republic in the pre-war period.

Newspaper and radio reports said all three confessed.

CPR May Buy Coal Spur Line
Canadian Pacific Railway will apply for an act at the next session of parliament authorizing them to purchase 14 miles of railway owned by the Alberta Coal Co. Ltd.

The section of railway lies in the vicinity of Halkirk, 140 miles south, east of Edmonton.

Several shipments of coal have already been made over the newly completed line and CPR officials feel that if the charter is granted, other freight business could also be handled by the spur line.

The line is expected to be brought up to the required standards within a month.

H and S Will See Eskimo Film

Eskimo film in Greenland will be depicted in film at the January meeting of the Governor Home and School association, in the school auditorium tonight at 8 o'clock.

Dr. Laurence Christensen, who is connected with the Charles Campbell hospital here, produced the film personally during his 27 years in Greenland. The film is available for one night only, and members of Governor Home and School association have been urged to make a special point of attending.

Governor H. M. S. also wished to acknowledge the effort put forth by the teaching staff and pupils of Governor Home and School association in Christmas concert at the December meeting of the association.

Youths Arrested
CALGARY, Jan. 15.—(BUP)—Four youths have been arrested in connection with the Christmas Eve spree in Calgary. The four broke 18 windows at the Langaville school at Lee Street.
